Half vampire, half fairy, totally unique!

## Are you more vampire or fairy?

Take the quiz and find out!

Simply pick the answers that describe you best and count how many As, Bs and Cs you get.

### 1. My bedroom is ...

- A. Black, with a four poster bed and bat-patterned wallpaper.
- B. Pink, glittery and full of flowers, but really I prefer sleeping outside under the stars.
- C. Pink and black, with a starry quilt and turret window.

### 2. When I get ready in the morning I ...

- A. Spend ages grooming my hair, using plenty of hair gel and a fine toothed comb to make sure it is perfectly neat.
- B. Wave my wand to give myself a different hairstyle every day and sprinkle a bit of glitter for extra sparkle.
- C. My hair is wild and full of knots. I just let it do its thing!

### 3. If I could eat anything for lunch I would have ...

- A. Tomato juice, a red smoothie and tomatoes ... anything red, really!
- B. Buttercup soup to start followed by acorn pancakes and flower-nectar yoghurt.
- C. Peanut butter on toast with a big slice of carrot cake for pudding.

### 4. My perfect day would be spent ...

- A. I don't like doing activities during the day, I'd much prefer to stay up all night and do some stargazing.
- B. Foraging in the woodland, having magical campfires and going swimming ... anything with nature!
- C. Having glittery tea parties, doing a bit of flying, and practising my ballet.

### 5. My ideal pet and companion would be ...

- A. A bat with silky fur and beady black eyes.
- B. Any of the animals I meet in the woods or by the streams.
- C. A cute but intelligent rabbit.

If you picked mostly As:

You are a sleek vampire! You love the night, flying with your pet bat, and glazing up at the stars.

If you picked mostly Bs:

You are a glittering fairy! You love nature and spending your time picking flowers, playing in streams and making everything magical.

If you picked mostly Cs:

Like Isadora, you are half-vampire and half-fairy and totally unique!
