### Note:

- Internet filtering, firewalls and admin privileges may block access to EduZone inside institutions.
- Access to OxfordEduZone.com may require whitelisting the URL on your network. Please enquire with us whether this will be necessary.
- Use of offline apps will be influenced by the amount of space available on the device.
- Data is required to download apps, if not connected to WiFi.
- Online access is required when doing assessments in a test scenario. Assessments cannot be automarked or tracked if not online.
